Subject : Broadcast Ministries at Risk!

Edw C. Byna, Jacksonville FL  
Thank you !!!

Dear Edward,

Kingdomfamily@hotmail.com

Because most of you regularly watch our *Believer's Voice of Victory* daily and Sunday broadcasts, we know you will want to act quickly and in faith regarding a proposal that could cut off the religious programs you and your family enjoy.

KCM has confirmed through the American Center for Law and Justice (ACLJ), a law firm dedicated to the protection of the religious rights of Americans, that a new proposal by the U.S. Congress and Federal Communications Commission would severely limit access to religious programming.

The Congress and FCC propose an "a la carte" per-channel-charge that would limit broadcast ministries to only those consumers who specifically order and pay for cable channels with religious programming. According to the ACLJ, for whom Jay Sekulow serves as chief counsel, the effects of the "a la carte cable regulation" proposal would be devastating to religious broadcasting. It would cut broadcasts from over 90 million households to just a few million.

To help the American Center for Law and Justice in its fight to stop this proposal and protect free speech, we encourage you to take one of the following actions to contact your congressional representative today and demand that they strike down "a la carte cable regulation":

- Email at [www.house.gov](http://www.house.gov). Just enter your ZIP code in the top left corner of the Web page.
- Call the Capitol switchboard at 202-224-3121, and ask for your Congressperson's office.

The Honorable [Insert your Congressperson's full name],
